GRAPHICS

Graphics packs play a significant role in the customization of Super 3. A choice of five full vehicle liveries and seven individual decals can be selected, each of have been designed to add further personality to the vehicle. Aviation and heritage markings have inspired many of the designs. In addition to the liveries and decals, a call sign which adds a 'pilot' and 'co-pilot' name can be chosen, along with an option to add a national flag next to the call sign.

To fully visualize the graphics options, please refer to the Super 3 configurator.
